# HOMECOMING 1975

**HOMECOMING**—the most exciting day of the year was celebrated on the 7th of November. Many students had a grand time decorating homerooms, cars, and constructing floats for the parade that afternoon. Construction of the various floats took an entire week of strenuous and devoted work, resulting in broken fingernails, mashed thumbs, and torn jeans.

The homecoming parade was an event of unexpressable satisfaction, that is, if you can call a stormy day which blasted rain down on the floats, melting their multicolored decorations into a conglomeration of soggy, smeared, running crepe paper which ruined the dresses of several of the beauties on the Queen's Float. One of these unfortunates was the Queen of Homecoming, Lisa Sharpless.

Lisa, Janet, Chris, and Sharon were selected by their fellow classmates as the Homecoming Queen and Court for 1975. They truly represented their classes well, not only by their radiating beauty, but with their congenial and happy faces.

The Homecoming game was one of the most exciting and nerve-wracking games of the century. The Trojans of Charles Henderson High in Troy played with an excellence which seemed to put them at a great advantage over the Tigers. However, their fate was settled as the Tigers made an almost unbelievable come-back in the second half, defeating the Trojans by a score of 28-27. Cheers and cries of joy echoed in Tiger Stadium as the winning points were scored in the final seconds of the game. Defeating the Trojans lifted the spirits of the Elba fans and created an atmosphere of joy. This joy contributed to the great success of the Homecoming Dance which followed the game. The feature band was Sunstorm; the group put on a fantastic show and was a splendid way to end the Homecoming Day of 1975.

## *Kay Jernigan*

On the night of January 22, 1976, thirty-eight lovely girls from grades nine through twelve waited nervously for the annual Miss Elbala Contest to begin. Finally the Master of Ceremonies, Sonny Inman, appeared, and things soon got underway.

As each girl appeared on stage in casual and formal attire, the decision became increasingly difficult for the judges. The result, however, was at last announced and Miss Kay Jernigan was crowned.

Kay is the daughter of Mr. and Mrs. Billy Jernigan. She is a sophomore, a member of FBLA, and a member of the Marching Tiger Band. Congratulations, Kay, for being chosen as our 1976 Top Elbala Beauty.

She is secretary of the Student Council as well as a member of VICA. During her reign as Miss Elba, she represented Elba at the Peanut Festival in Dothan where she received the "Spirit of the Wiregrass" Award. Brenda was also winner of the Betty Crocker Homemaker Award.

Miss Sherry Marler was selected by her fellow contestants of the Miss Elba Pageant as Miss Congeniality. Delisa Smith was named first runner-up, and Lisa Sharpless was named second runner-up.

Chosen as Little Miss Elba was Krista Dyess, daughter of Mr. and Mrs. Tom Dyess.

# National Association of Student Councils

The Student Council is an organization made up of students representing grades seven through twelve. Their main objective is to work for and with the students, faculty, and principals of Elba High School to better the relations among these people.

This past year the Student Council has sponsored a "Back to School" dance, taken over the EHS page in the paper, trick-or-treated for UNICEF, helped sponsor the Blood Mobile, sponsored the Homecoming Dance, sold posters, sponsored a Valentine's Dance, a movie, singing Valentines, and an "End of School" Dance. They built the Student Council office and the Bicentennial Monument. We are proud of the 1975-76 student council and thankful for all their work.

# Mu Alpha Theta

Elba's math team this year is composed of Bill Brunson, Mark Kelley, Debbie Lee, and Regina Towles. These students represented Elba at the Andalusia Math Tournament, January 30, 1976, and at the Samford Math Tournament, February 7, 1976.

Mu Alpha Theta, a national honorary mathematics organization, seeks to instill within its members a sense of achievement and excellence in the art and science of mathematics. In order to qualify for active membership, persons must have at least an overall *B* average in all courses taken and must be enrolled in a fifth semester of advanced math.

Various club activities include participation in the Andalusia Math Tournament and the Samford Math Tournament. Representatives of the club attend the State Mu Alpha Theta Convention each year. Also, the club sponsors the annual High School Math Exam.

## FBLA

It is not enough for young men and women to read about becoming good businessmen and women and citizens; they must be provided an opportunity to actually participate as individuals in group endeavors and projects conducted under the guidance of representatives of education, business, and the professions. Members of the Elba Chapter of FBLA are working toward achieving this as their major goal.

Stan Lewis was selected as the 1975 D.A.R. Good Citizen. Sherry Marler was chosen as Good Citizen Girl.

Being a senior has been a happy, exciting, but sad time. All were ecstatic at the beginning of the school year; but as the year drew to a close, we realized the fact that we would not just be leaving school, but leaving friends—some of whom we may never see again. No explanation can completely depict the many emotions which seniors have experienced: pride, conceit, joy, and love—love for all those who have helped us obtain our goal. No one would enjoy making an admission to the fact that we all love our classes and, yes, even our teachers. If we did not care about our classes and teachers, then why is it that most of us feel as though we will cry or sense an unexplainable emotion as we shall hear "Pomp and Circumstance" being played when we slowly march in and pay our last tribute to Elba High School?

None can really understand the feelings of what it means to be a senior until they fill the vacant places left by the graduating seniors of the previous year.

Good luck and may life give you all its best.

# SPIRIT OF '76

## *Charles Fuller Windham*

To Charlie Windham who shared with us many happy times and brought laughter to us when it seemed as if sadness had at last conquered our hearts. Laughter, love, and a sense of caring were only a few of his admirable ways. Truly, Charlie was loved by all and he loved all. His memory will always remain in our hearts and remind us of the wonderful person whom we had the privilege of knowing.

Our thoughts may be best expressed by Angelo Patri in that, "in one sense, there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, he worked with, loved as familiar friends. He lives on in your life and in the lives of all others that knew him."

So ends the 1976 Elbala. It is more than just a book with pictures. It is a unique book filled with memories that re-live a part of this special year for everyone.

We have preserved 1976 for all those who are a part of Elba High School. A whole year of happiness, friendship, frustration, and beauty lie between these covers. As life takes us through its many journeys, we can feel security in knowing that we were a part of Elba High School in 1976.
